

# **Innosate Software Pvt Ltd**

A Technical Outsourcing Team

# Who We are

Innosate Software is group of likeminded people who already served industry from a decade. We are now grouped to serve direct to client.

Yes we are startup as an organization but not in experience. Each individual from us is a Gem in technology. We started with our own product, Innocricket, Organizers App and after a successful launch, now we are opening new doors of opportunity for ourselves

# Why Innosate Software?

01

We are startup with mind to earn respect, Value and reward.

02

Our Background is purely technical; we understand the need of customer and then define a path..

03
